

# HELDIG

**Digital Humanities Summit 2019**

**From Text to Knowledge**

**Welcome to the  
3rd HELDIG Digital  
Humanities Summit!**

# From Text to Knowledge

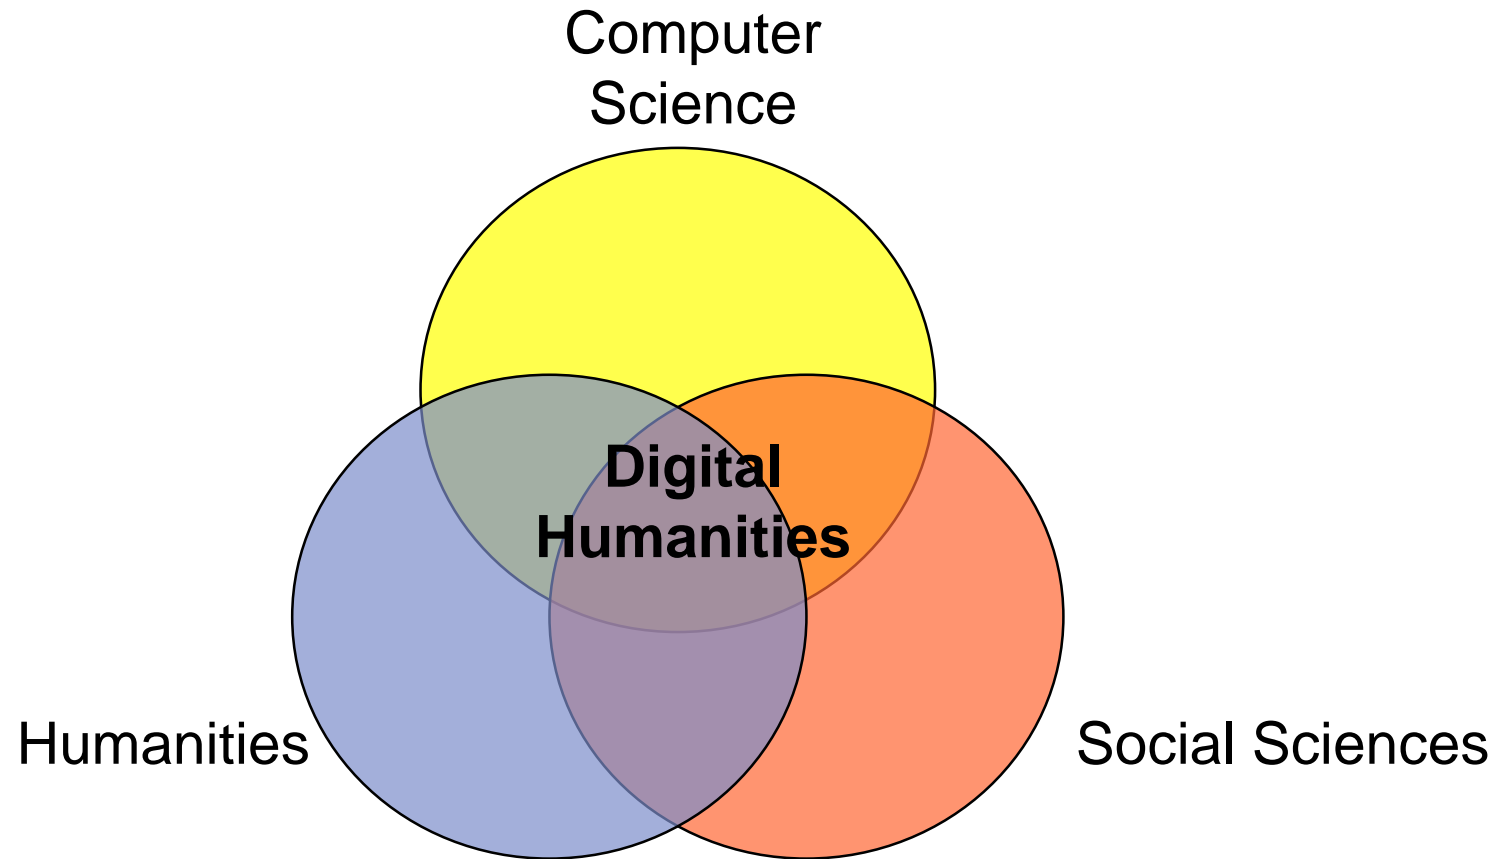

Opening the Summit 2019

**Prof. Eero Hyvönen, Director**

University of Helsinki, HELDIG

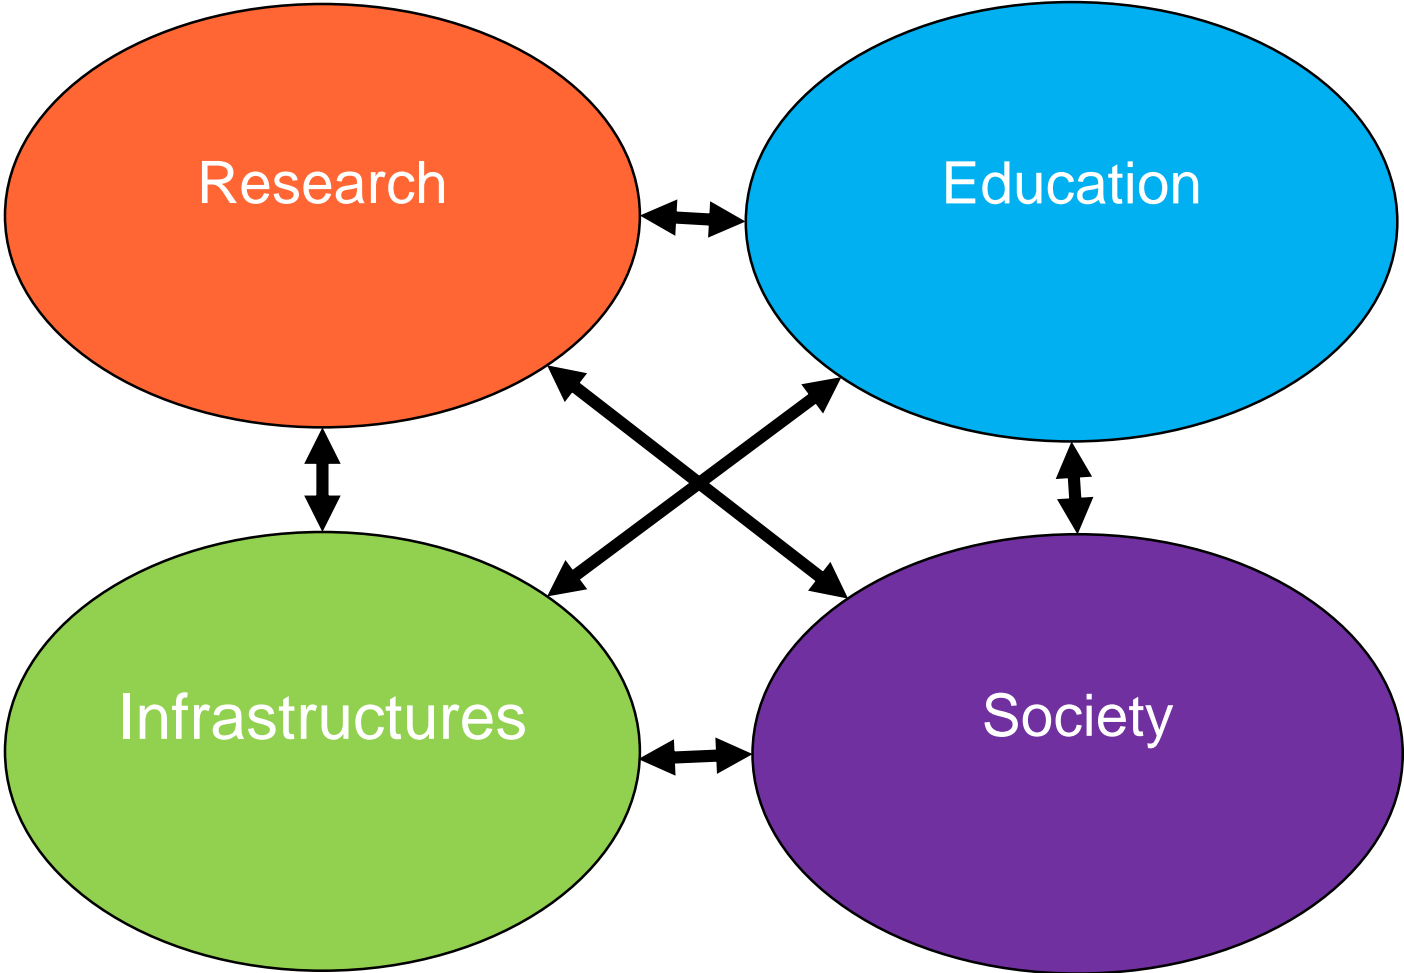

Aalto University, Semantic Computing Research Group (SeCo)

<http://heldig.fi>, <http://seco.cs.aalto.fi>

1. Use & develop computational methods in H & SS
2. Study digitalization as a phenomenon

**Mission: HELDIG Strategic Areas**

# HELDIG Network

- Core at University of Helsinki
- Aalto University, University of Turku, et al.
- Other Finnish research organizations
- Memory Organizations
  - **Libraries:** National Library, Public Libraries
  - **Museums:** Finnish Heritage Agency, City Museums, ...
  - **Archives:** National Archives, SKS, SLS
- Media organizations
- Companies
- EU Research Infrastructure Initiatives
  - CLARIN, DARIAH, COST, TimeMachine
- International Collaborations, ...

*Developing the Digital World Together*

**HELDIG**

**Helsinki Centre for Digital Humanities**

## Why "From Text to Knowledge"?

- Most content in DH research is available in textual form
  - books, articles, newspapers, legal documents, web pages, social media discussions, parliamentary materials, letters, folklore ...
- Analyzing text as data requires structural semantic representations
- **Extracting and analyzing semantic structures from texts is a key task in DH research**

# Programme

- **09:05-10:00 Keynote**
  - **Dr. Marieke van Erp, KNAW, Amsterdam**
- **10:00-10.30 Coffee**
- **10:30-12:30 Tools and Infrastructures**
  
- **12:30-13:30 Lunch (on your own)**
  
- **13:30-14:30 Keynote**
  - **Prof. Jose Emilio Labra Gayo, University of Oviedo**
- **14:30-15:00 Coffee**
- **15:00-17:00 Applications**
- **17:00-18:00 Networking, Nibbles, and Bubbles (in Lehtisali)**

# Keynote

## **Square pegs and round holes: addressing the mismatch between humanities questions and the state-of-the-art in language technology**

**Dr. Marieke van Erp**

Royal Netherlands Academy of Arts and Sciences  
KNAW, Amsterdam

# Keynote

## Legislative data portals and linked data quality

**Prof. Jose Emilio Labra Gayo**  
University of Oviedo, Spain
