

CSC Research User Support Coffee - Every Wednesday at 14:00

Pilot during fall 2022

We are happy to receive any and all feedback!

Let's talk!

Want to discuss
some features or
how to employ the
services in your
research project?

Any questions about
CSC's services for
research?

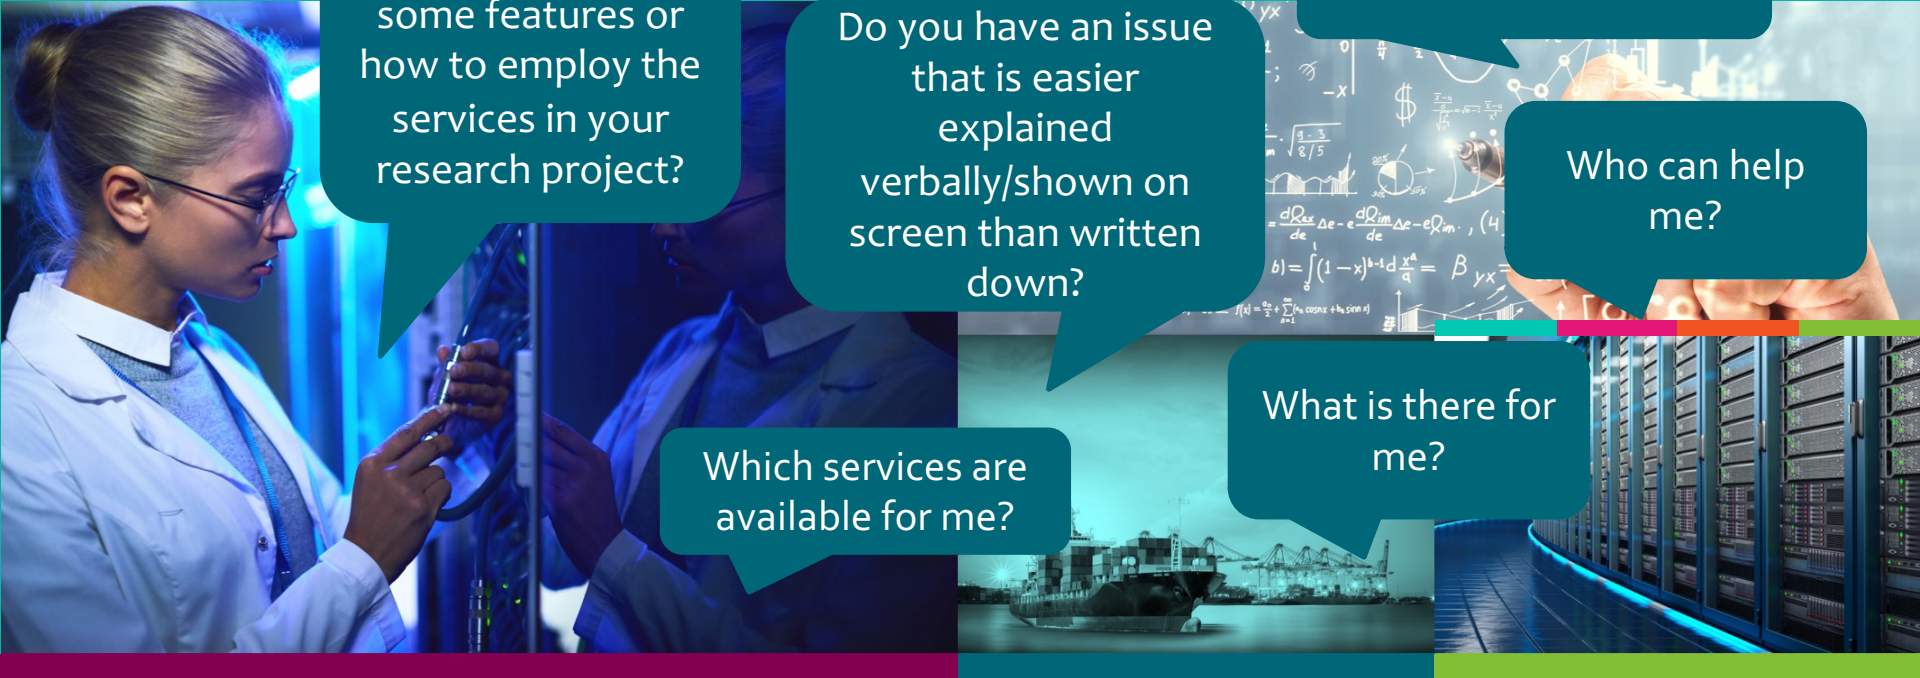

Do you have an issue
that is easier
explained
verbally/shown on
screen than written
down?

How to get started?

Who can help
me?

Which services are
available for me?

What is there for
me?

How it works?
